

SPFG Project Decision Making Protocol

January 2013

Project received

Reviewed at SPFG Board meeting

Addresses poultry issue

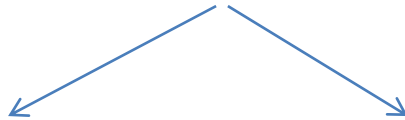

Does not address issue

→ application denied

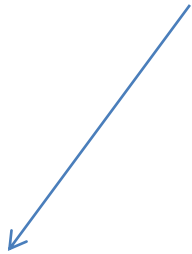

Proceeds for further review – considerations

1. Does SPFG have the funds?
2. Is the project supported by industry?
3. Do the project timelines fit within SPFG's and funding partners' timelines?
4. Does the project target one sector of industry or several?
5. Who are the project partners?
6. What is the prior research history of proponent?
7. Is it new research or a replication of previous trials?
8. Is the project applied or pure research?
9. What is the benefit to the poultry industry?
10. How much funding are they asking for?

If all favourable

If negative

Project approved for funding

Letter of support provided

Possible to revise and resubmit? → Re-apply

No

Project not accepted for funding / no letter of support provided
